

iWorship or God Worship
For the week of November 11 – 17

Prayer: That we might embrace the discomfort of life in Christ

Day 1: Psalm 95

Three questions to ponder:

As you consider the 'directions' of your worshiping, how would you describe your posture, intent, motivation?

What is often the element of worship that most causes you to grumble? How might that be changed?

Day 2: Revelation 4:1 – 11

Three questions to ponder:

How are we invited into this scene?

How does this scene correct poor worship posture?

In what ways does our worship mirror this scene? Or not?

Day 3: Daniel 3:1 – 16

Three questions to ponder:

How are posture & worship related to Nebuchadnezzar?

What then is the significance of the refusal to act? (even if the heart isn't 'worshiping')

What activities and behaviors might we need to rethink as we consider our worship?

Day 4: Isaiah 29:11 – 22

Three questions to ponder:

For what does the prophet Isaiah take Israel to task?

When have you been guilty of the same behavior?

How might we guard against the same sin?

Day 5: Exodus 20:1 – 6

Three questions to ponder:

What is God revealing to His people about proper worship?

What idols do we often 'make' to worship?

How do people in 2018 "misuse the name of the LORD"?

Further Reflection: What are the greatest challenges in relation to worship today? What are the greatest celebrations and 'successes'? (Think individually and corporately)
