

The Glorified Risen Jesus
For the week of April 21 – 27

Big Question for the week: Where is evidence of resurrection in your life? In the world around you?

Day 1: John 18:28 – 19:16

Three questions to ponder:

- What themes appear in these verses?
- What about this conversation between Jesus and Pilate is so memorable?
- What do we see in Jesus as He speaks with Pilate?

Day 2: John 19:38 – 20:9 & Mark 15:42 – 47

Two questions to ponder:

- What elements of burial and the tomb does John include that others do not? Why?
- What elements of burial and the tomb does John leave out that others include? Why?

Day 3: John 20:10 – 31

Three questions to ponder:

- How does John build on the kinds of belief and faith are evident in the disciples?
- Which faith do we most reflect?
- How does v.31 provide fitting clarity to John's purposes?

Day 4: 1 John 1:1 – 2:6

Two questions to ponder:

- How has the resurrection impacted John as he writes to a local congregation?
- What is the purpose for the resurrection that John points to in his letter?

Day 5: 1 John 5:1 – 21

Three question to ponder:

- What are John's themes as he closes his letter?
- How appropriate is this letter for Jesus' disciples today? In what ways?

Prayer: that we might see evidence of resurrection and believe.
